## Public Announcement from Gray's Reef National Marine Sanctuary

The next meeting of the NOAA Gray's Reef National Marine Sanctuary Advisory Council will be on Wednesday, June 26, from 1 PM-4 PM. The location is the Marine & Coastal Science Research and Instruction Center (MCSRIC) on the campus of Skidaway Institute of Oceanography in Savannah, Georgia. Directions can be found at: <http://www.skiio.usg.edu/?p=aboutus/geninfo/directions>.

The council [agenda](#) includes an update of research and other projects and details of the draft management plan for the sanctuary, along with proposed regulatory changes. The Gray's Reef management plan has been under review since 2011.

The meeting is open to the public and a public comment period is tentatively scheduled for 3:45 PM.
