Coordinator: Cathy J. Sakas

E-Mail: Cathy.Sakas@noaa.gov

Prior to Competition: 912.598.2417

Day of Competition: 912.660.7164

Registration Deadline: Friday, March 18 by 11:59PM

New Teams: Please visit <http://www.marinetech.org/alumni/> to create your team account. Once approved, you can use that login information to log into ROVER at www.materover.org.

Previously Registered Teams: Please visit www.materover.org. Login (see the login link on the right-hand side of the home page) using your AlumniWeb login information (please contact Jill Zande jzande@mpc.edu if you need her to look that up for you).

After logging into ROVER, visit the COMPETE tab > Team Registration. This is where you'll find the registration page. You'll need to complete a separate form for each team that plans to compete.

You will receive an official invoice for \$50 from MATE Center. The registration fee is new this year and will help defray the mounting costs of running the competition.

Only two teams per school may enter. Each team must have a different coach.

Teams must register the class in which they wish to compete: Scout, Ranger or Explorer.

Important Information

1. Technical Reports in portable document format (pdf) must be sent to Cathy.Sakas@noaa.gov no later than 11:59PM Friday, March 25th. No hard copies will be accepted.
2. Mission pool trials, posters and engineering presentations will be judged poolside on April 2nd.
3. Gray's Reef Southeast Regional MATE ROV Competition will follow the design and building specifications and competition rules posted on <http://www.materover.org/main/> under the top bar COMPETE.
