

Student Film Submission Form 2013 Gray's Reef Ocean Film Festival

Films will be competing for the Dr. Robert O. Levitt Award for Emerging Filmmakers. To be eligible, student films must have an environmental conservation theme; films with an ocean related theme are particularly encouraged. Films may be submitted by recently graduated students but must have been originated and produced while in student status. **Maximum running time must be no more than 15 minutes.**

Submissions must be received in the Gray's Reef Office by 3 pm July 15 **-no exceptions.**

While filmmakers are welcomed to continue to edit their work prior to screening on September 14, films will be judged based on the submitted copy.

Final copies of film for screening must be in Gray's Reef office by August 30, 2013 —

ABSOLUTELY NO EXCEPTIONS!

Submissions must contain the following typed information:

Title: _____

One-line description: _____

Running time: _____

MAXIMUM RUNNING TIME MUST BE NO MORE THAN 15 MINUTES.

FULL credits and CONTACT INFO for ALL principals: Producer, Director, Writer, Director of Photography and Editor. Contact info means Name, mailing address, cell phone, email address for ALL principals. USE ADDITIONAL SHEET WHERE NEEDED.

Submit: 4 DVDs playable on **standard DVD player** (no quick time files!)

Each DVD labeled by dry marker only with following information:

Title; Producer contact info (Name, mailing address, cell phone, email.); Running Time

Incomplete submissions will not be considered!
